VISION STATEMENT

Jefferson Academy envisions a community of parents, teachers, students, and educational and business leaders working together to create a learning environment that engenders growth in character, academic achievement, and the love of learning, resulting in responsible, productive citizens.

WHO WE ARE

Jefferson Academy (JA) is a school of excellence that works to prepare students for college, develop their character through rigorous expectations, and support them to discover and surpass their potential. As the oldest charter school in Jeffco, we have had years to grow and excel in preparing students for life beyond high school. We are a close-knit group of young scholars who thrive in a challenging academic environment. We are a community that feels like family, develops students with a strong work ethic and good character, provides a curriculum both rich in content and rigor. Our faculty, staff, and administration are devoted to providing the most innovative educational experiences to our students.

COLLEGE, ADVANCED PLACEMENT, AND HONORS COURSES

Jefferson Academy Secondary became a Front Range Community College accredited site in the Fall of 2015. We offer numerous college courses (up to 45 credit hours), on a rotating basis, directly on our campus.

- Currently, there are 18 college courses offered with additional opportunities for students to take courses at the FRCC campus.
- We offer five Advanced Placement courses on campus including AP European History, Physics, Computer Science, Spanish, and Studio Art.
- We offer nine Honors courses in core subject areas for 9th and 10th graders before they advance into college/concurrent enrollment courses.
- Students must demonstrate readiness for college courses and have a track record of success prior to enrollment each semester. Care is taken to not overwhelm a student in any given semester with advanced courses.

Front Range Community College Courses

- | | |
