

YEARBOOK

Senior Portrait & Ad

Your student is entering their senior year of high school! Soon your student's years at JA will be no more than a memory. However, you can make this memory last by purchasing a senior ad in the yearbook. Senior ads are a tradition among graduating students that lets them know how much they are cared for. By purchasing a senior ad space, you can show them how special they are to you with your own pictures & words. You would be able to author your own dedication to your student & choose additional photos of your senior to be included in their senior ad. In the yearbook, all seniors will be recognized with a senior portrait in the portrait section of the book. However, with the purchase of a senior ad, your student will be featured again with additional pictures & a personal dedication from you & your family.

Making your ad is simple! Just fill out the attached form, include the pictures you would like to use, type the dedication & submit the payment. Return the below form, with your pictures & dedication, to the secondary office to the attention of *Senior Yearbook Ad* or via email by **Monday, October 2nd**. If you have any questions, please refer to the FAQ below, last year's yearbook, or contact the HS Yearbook Staff at hsyearbook@jajags.com

FAQs:

Can I submit digital photos? Yes, it is preferred. Email photos & a typed dedication to hsyearbook@jajags.com. Digital files need to be a resolution of 300dpi in JPEG format, otherwise, they will be unusable for yearbook publishing. When scanning photos, most scanning programs have a 'custom' section where you can change your resolution to at least 300. If you choose this method of submitting a senior ad, ensure all items are sent in a single email.

If the yearbook doesn't come out until the end of the year, why do I need to submit this so early? The yearbook is created throughout the year. We submit pages as early as November & require your ads for that deadline.

Will I receive my photos back? Yes. If you choose to submit physical copies of your photos, they will be kept in a safe place. The yearbook staff will have them available for pick up at the end of the year.

DISCLAIMER: The yearbook staff tries their best to guarantee the safety of your photos but please make duplicates of all irreplaceable photos.

Do my photos have to be the same size/orientation as the ad template? No. We have the ability to edit as needed.

Do I have to have the exact number of words specified on a sample template? No. However, we will not be able to fit any dedications that exceed the word limit & may have to shorten or cut them off. Please stay within the word limit.

How do I indicate which photo I want to go where? Simply rename the digital photo to correspond with the ad or write the location lightly on the back of the photo.

Do I have to type my text? Yes. This is to avoid any errors.

Will my ad be the same size as the sample ad? No. The sample ads on the following page are for reference only. Your ad will look similar to it & will reflect the size of the ad you purchased. Note that the design is subject to vary slightly due to the overall theme of the yearbook.

If I buy a senior ad, what kind of pictures should I submit? Suggestions are your second favorite senior photo, baby photos, childhood photos, family photos, etc.

Do I need to submit a senior photo even if I am not purchasing an ad? Yes. All seniors will be featured in the book in the portrait section, regardless if they bought an ad or not. The senior portraits must be vertical in orientation. If a student fails to submit a senior portrait, their school portrait will be used in its place.
